(3) Candidates must be prepared to pass a qualifying examination the detailed syllabus of which is printed as an appendix to this notification. The general educational standard required is that prescribed for the diploma of the Chiefs' Colleges, a school-leaving certificate recognized by a Local Government, the Matriculation examination of an incorporated University or any higher examination

(4) Candidates will, in addition, undergo a special test consisting of an oral examination conducted on similar lines to the Admiralty Test for the Royal Naval College. This examination which is designed to test the intelligence and general knowledge of candidates will be conducted by a Board of officers.

(5) A medical examination, according to the standard laid down in Appendix 18 of the Regulations for the Army Medical Service, 1908, will also be held in Simla. Candidates should attach to their applications a medical certificate from a *competent medical officer* to the effect that they come up to the standard mentioned above.

(6) The cost of a first-class railway fare from their homes and back will be granted to candidates attending the medical and qualifying examinations in Simla.

Candidates finally nominated to join the Royal Military College, Sandhurst, will also receive the cost of one first-class fare from their residence to the port of embarkation, in India, and a first-class passage by sea to England.

Applications for railway fares should be made to the Private Secretary to His Excellency the Governor of Madras.

Passages by sea for candidates selected for admission to the college will be arranged by the Embarkation Commandant, Bombay, under orders from Army Headquarters.

Selected candidates will be sent to England in charge of a British officer, who will be appointed by Army Headquarters and who will meet the candidates at Bombay. Each candidate will hand over to this officer at Bombay the sum of Rs. 300 to cover the cost of expenses incurred during the voyage to England.

(15) Indians selected for cadetships will be subject to such rules and regulations as are, or may be, from time to time, established for the maintenance of good order and discipline at the college.

They will, while at the Royal Military College, belong to the ordinary College Mess and no special messing arrangements can be made on their behalf.

Indian cadets are required to appear at all times in the uniform of the college except when on leave or when otherwise exempted by the Commandant, but they will be allowed to wear their national head dress should they so desire.

They will not be allowed to take servants or personal attendants of any kind to the college.

(16) One of the rules for admission to the Royal Military College is that a cadet should be unmarried. This rule will be waived in the case of Indian candidates, but in no circumstances will a cadet be allowed to take his wife or family to England.

(17) The normal length of the course of instruction will be about two years divided into four terms. The college terms will be—

Before being passed as fit for a commission, they must be certified to be in good mental and bodily health and free from any physical defects likely to interfere with the performance of their military duties. Those who are successful in obtaining commissions will enter the Indian Army as Second Lieutenants.

(19) Unless a Government building is available, candidates will be provided with private accommodation usually in a hotel at Simla. Candidates will be charged for messing, but the cost of the rent of the quarters will be borne by Government. Suitable arrangements will be made for those candidates who are precluded, by caste, from eating the food provided.

Candidates may arrange for quarters in the hotel other than those provided, but they will be liable for any additional cost incurred. Candidates will on no account be allowed to live elsewhere.

Parents or guardians must ensure that candidates are provided with sufficient funds to meet the cost of their expenses while in Simla.

(20) The Private Secretary to His Excellency the Governor of Madras, to whom applications should be made not later than 23rd February, will intimate to the selected candidates the fact of their selection. No application received after the 23rd February will be considered.

32. Illustrations and explanations of the geometrical theorems corresponding to the following algebraical identities :—

$$k(a+b+c+\ldots)=ka+kb+kc+\ldots$$
$$(a+b)^2=a^2+2ab+b^2,$$
$$(a-b)^2=a^2-2ab+b^2,$$
$$a^2-b^2=(a+b)(a-b).$$

33. The square on a side of a triangle is greater than, equal to, or less than the sum of the squares on the other two sides, according as the angle contained by those sides is obtuse, right, or acute. The difference in the cases of inequality is twice the rectangle contained by one of the two sides and the projection on it of the other.

LOCI.

34. The locus of a point which is equidistant from two fixed points is the perpendicular bisector of the straight line joining the two fixed points.

35. The locus of a point which is equidistant from two intersecting straight lines consists of the pair of straight lines which bisect the angles between the two given lines.

THE CIRCLE.

36. A straight line, drawn from the centre of a circle to bisect a chord which is not a diameter, is at right angles to the chord; conversely, the perpendicular to a chord from the centre bisects the chord.

37. There is one circle, and one only, which passes through three given points not in a straight line.

38. In equal circles (or, in the same circle) (i) if two arcs subtend equal angles at the centres, they are equal; (ii) conversely, if two arcs are equal, they subtend equal angles at the centres.

39. In equal circles (or, in the same circle) (i) if two chords are equal they cut off equal arcs; (ii) conversely, if two arcs are equal, the chords of the arcs are equal.

40. Equal chords of a circle are equidistant from the centres, and the converse.

[Section IV.]

THE CIRCLE (*continued*).

41. The tangent at any point of a circle and the radius through the point are perpendicular to one another.

42. If two circles touch, the point of contact lies on the straight line through the centres.

43. The angle which an arc of a circle subtends at the centre is double that which it subtends at any point on the remaining part of the circumference.

44. Angles in the same segment of a circle are equal; and if the line joining two points subtends equal angles at two other points on the same side of it, the four points lie in a circle.

45. The angle in a semi-circle is a right angle; the angle in a segment greater than a semi-circle is less than a right angle; and the angle in a segment less than a semi-circle is greater than a right angle.

46. The opposite angles of any quadrilateral inscribed in a circle are supplementary; and the converse.

47. If a straight line touch a circle, and from the point of contact a chord be drawn, the angles which this chord makes with the tangent are equal to the angles in the alternate segments.

48. If two chords of a circle intersect either inside or outside the circle, the rectangle contained by the parts of the one is equal to the rectangle contained by the parts of the other.

[Section V.]

PROPORTION: SIMILAR TRIANGLES.

49. If a straight line is drawn parallel to one side of a triangle the other two sides are divided proportionally; and the converse.

50. If two triangles are equiangular, their corresponding sides are proportional; and the converse.

51. If two triangles have one angle of the one equal to one angle of the other and the sides about these equal angles proportional, the triangles are similar.

52. The internal bisector of an angle of a triangle divides the opposite side internally in the ratio of the sides containing the angle, and likewise the exterior bisector externally.

53. The ratio of the areas of similar triangles is equal to the ratio of the squares on corresponding sides.

ANNEXURE.

ARMY HEADQUARTERS, INDIA,
QUARTERMASTER-GENERAL'S BRANCH, SIMLA.
1st September 1923.

Boarding out of Cavalry horses.

The boarding out of cavalry horses has been introduced in India in order to provide, without expense of upkeep, a sufficient number of trained and conditioned cavalry horses to enable regiments to mobilise without requiring drafts from other units. Thus both the State and the individuals who use the horses will benefit.

Officers Commanding British and Indian cavalry regiments are authorised to board out fully trained horses under the following conditions :—

(a) The person to whom horses are given, hereinafter referred to as the allottee, may be any person, official or non-official, European or Indian, whom the Officer Commanding the regiment considers a fit person to have a Government horse.

(b) The allottee will have to sign the attached agreement.

Boarders may be used for any purpose except for heavy draught work or racing (other than hunt point to point race), but the horse must not be hired out to any other person. All these must undertake to keep the horse in their own possession and not to remove it permanently from the station mentioned in the agreement without the previous written consent of the Officer Commanding the unit.

It will be noticed that there is no restriction as regards polo. An allottee may play his boarder as much as he likes provided he fulfils the general condition of good treatment and therefore does not lay himself open to suffer recall by order of the Officer Commanding the unit.

G. F. MACMUNN, Lieutenant-General,
Quartermaster-General in India.

Form of Agreement for Boarded-out Cavalry Horses.

The question has been raised whether the period allowed for disposal of objection statements by Local Boards, which is at present twenty days, should not be extended to one month. The Examiner of Local Fund Accounts is of opinion that it should be possible for the Presidents of Local Boards to return objection statements within fifteen days in view of the fact that the issue of a separate objection statement to each taluk and union board was authorised in G.O. No. 816, Finance, dated 6th October 1922. He recommends that the existing time limit of twenty days may be allowed till the 1st April 1924. The Government accept this recommendation.

2. After 1st April 1924 each local board will be responsible for its own account work. The Government therefore prescribe fifteen days as the maximum period allowed for the return of objection statements after 1st April 1924.

UNIVERSITY OF MADRAS.

RULES AND DIRECTIONS FOR THE ADMISSION OF HOLDERS OF SECONDARY SCHOOL-LEAVING CERTIFICATES TO UNIVERSITY COURSES OF STUDY.

I. Admission of holders of secondary school-leaving certificates to University courses of study in the academic year 1924–25 and subsequent years shall be made only in accordance with the following rules and directions, which are the same as those in force for the year 1924–25.

II. Such holders only of completed secondary school-leaving certificates may be admitted to University courses of study and registered as matriculates under Regulation I of Chapter XVI as (a) had completed not less than 15 years of age on the first day of the month in which the examination qualifying for such certificates is held unless specially exempted from the operation of this age limit by the Syndicate, and (b) have been declared eligible for such admission by the Syndicate.

III. A complete list of certificate-holders declared eligible for admission to University courses of study will be published annually in the *Fort St. George Gazette*, and a copy of this list will be furnished to each Principal of a constituent or affiliated college. A certificate-holder not included in one of these lists will not be entitled to registration as a matriculate under Regulation I of Chapter XVI except as provided in paragraph VII below.

IV. In the case of certificates issued under the authority of the Government of Madras those holders of certificates who qualify under the following rules will be included in the list of those declared eligible for admission to University courses of study :—

1. Secondary school-leaving certificate-holders shall be eligible for admission to University courses of study whose marks in the Public Examination or whose marks after moderation are

(a) in Group A subjects

either

(i) in English five marks above the Presidency average and in each of the other two subjects (except Vernacular Composition and Translation in the case of school pupils who are exempted by the Director of Public Instruction the study of this subject under Group A), not less than the Presidency average ;

or

(ii) of the total marks, in English 40 per cent and in each of the other two subjects (except Vernacular Composition and Translation in the case of school pupils who are exempted by the Director of Public Instruction the study of this subject under Group A), 35 per cent ;

(b) in Group C subjects

either

(i) five marks above the Presidency average in Algebra and Geometry, or Physics, or Chemistry, or English History, and not less than the Presidency average in one other subject ;

or

(ii) of the total marks, 40 per cent in Algebra and Geometry, or Physics, or Chemistry, or English History, and 35 per cent in one other subject.

2. A secondary school-leaving certificate-holder who fails to qualify in Vernacular Composition or in Elementary Mathematics shall be eligible for admission, provided he obtains excess marks in English and the other subject of Group A taken together equal in number to twice the number of marks by which he is deficient in the subject in which he fails.

A secondary school-leaving certificate-holder who fails to qualify in Vernacular Composition *and* in Elementary Mathematics shall be eligible for admission, provided he obtain excess marks in English equal in number to twice the total number of marks by which he is deficient in the two other subjects.

3. A secondary school leaving certificate-holder who qualifies in one of the four selected subjects in Group C but who fails to qualify in a second subject of that group shall be eligible for admission, provided that in the former subject he obtains excess marks equal in number to twice the number of marks by which he is deficient in the latter subject.

4. A secondary school-leaving certificate-holder who fails to qualify in Vernacular Composition, or Elementary Mathematics, or in both, and also in a second subject of Group C may be declared eligible for admission, provided that he obtains excess marks as above both in the other subject or subjects in Group A and in one of the four selected subjects of Group C.

5. The eligibility of a school-leaving certificate-holder will be determined for each Group of subjects separately, by the test of Presidency averages or fixed percentages throughout, or by the test of Presidency averages in Group A and fixed percentages in Group C, or *vice versa*.

6. A secondary school-leaving certificate-holder who fails to qualify under the preceding rules by reason of deficiency of marks

(*a*) *in one subject only*—

will be declared eligible for admission,

if the deficiency of marks is not more than one mark, irrespective of his total marks

or

provided that the deficiency of marks				if his total marks amount to
is not more than	2	marks.		not less than 200
Do.	do.	3	"	Do. 250
Do.	do.	4	"	Do. 300
Do.	do.	5	"	Do. 350

and so on

or

(*b*) *in two subjects only*—

will be declared eligible for admission

provided that the deficiency is not		if his total marks amount to
more than	1 mark in one subject	not less than 250
and	1 mark in the other subject.	
"	1 mark and 2 marks	Do. 300
"	2 marks and 2 marks	Do. 350

For the purpose of this rule, in calculating the total marks gained, the higher mark obtained in each subject will be selected, whether examination mark or moderated mark, and in calculating the deficiency of marks the smallest deficiency will be selected after application of both alternatives in rules 1 and 2 and after applying rules 3, 4 and 5.

In the case of a secondary school leaving certificate-holder who has been exempted the study of Vernacular Composition and Translation and has taken a classical or foreign language and one other subject only under Group C, the total marks required under this rule will be reduced by one-fifth, provided always that in the case of such certificate-holder no total number of marks will be allowed to compensate for deficiency of marks in the language so taken under Group C.

In the case of a certificate-holder who has been exempted the study of Vernacular Composition and Translation and has taken a classical or foreign language and *two* other subjects under Group C, the total marks required under this rule will not be reduced (his marks in each of the five subjects being taken into account), and compensation for the deficiency of marks will be admissible under this rule irrespective of subject.

7. The moderation of the marks obtained by a holder of a secondary school-leaving certificate for the purpose of the above rules will be effected as follows :—

The individual mark gained by him for the last year at school in each subject will be multiplied by the average mark for the school at the Public Examination and the result divided by the average mark at school of the candidates from the school actually appearing for the Public Examination. The figure thus obtained will be added to the individual mark gained by him at the Public Examination and the total will then be divided by two to obtain the final moderated mark.

8. In the case of certificates issued under the authority of Native States in the territorial jurisdiction of the University, similar standards for admission will be applied.

V. Any candidate for admission to University courses of study who in any year fails to qualify by reason of deficiency in any subject or subjects in which he has undergone examination will be required to undergo a supplementary course at school in all the subjects of Group *A*, and in two subjects of Group C. He must again appear at the Public Examination at the close of this supplementary course and his eligibility for admission will be determined, according to the preceding rules, either by the marks obtained by him at the last examination or by the average marks throughout in each subject obtained by him at the last and the penultimate examinations. Also in the case of a candidate who, after undergoing a supplementary course and examination, has failed again to qualify for admission to University courses of study and who is permitted to appear at the Public Examination in a subsequent year after private study, eligibility for admission will be determined, according to the preceding rules, either by the marks obtained by him at the last examination or by the average marks throughout in each subject obtained by him at the last and the penultimate examinations.

VI. Hereafter candidates for admission to colleges, whose last appearance at the Public Examination was in 1918 or earlier, must submit their certificates to this office for inspection not later than the 30th April 1924. Every such certificate will be judged by examination marks alone according to the rules in force for certificates completed in the year in which it is submitted for inspection and that the best performance in each subject in any year will be taken into consideration.

VII. Notwithstanding anything contained in the foregoing rules, the Principals of Colleges for Women will be permitted to make admissions at their discretion of female holders of secondary school-leaving certificates whether or not the names of such holders of certificates are included in the published list of certificate-holders eligible for admission to University courses of study. Certificate-holders so admitted to Colleges for Women will be registered as matriculates under Regulation I of Chapter XVI.

VIII. The lists published annually in the *Fort St. George Gazette* will contain the names of all certificate-holders found to be eligible for admission to University courses of study in constituent or affiliated colleges, other than Colleges for Women, under the rules and directions issued from time to

time. It is, however, to be clearly understood that inclusion in the list confers on no certificate-holder the right of admission to any constituent or affiliated college. The Principals of Colleges are at perfect liberty to restrict admission to such applicants as they may select and are moreover required strictly to confine admission to such eligible certificate-holders as, judged by their certificates, may be expected to profit by the particular courses of study upon which they propose to enter in the college selected.

NOTICE OF CONDITIONS OF ISSUE OF FIXED FEE FOREIGN LIQUOR LICENCES.

No. 3.—The following notification is issued in supersession of Notification No. 2, dated 30th January 1923, published in the *Fort St George Gazette*, Part II, dated 6th February 1923:—

In exercise of the power conferred on him under section 4 (g) of the Madras Abkari Act, 1886, the Commissioner of Salt, Abkari and Separate Revenue, hereby prescribes, under section 24 of the Act, the following rules for regulating the issue of licences on fixed fees for the compounding, blending, bottling and sale of potable foreign liquors, locally-made foreign liquors and coconut toddy arrack from and after the 1st April 1923 within the limits of the Madras Presidency:—

1. The term 'foreign liquor' in these rules includes all wines, spirits and beer imported into the Presidency by sea or land; plain rectified spirits imported or locally made and on which the tariff rate of duty has been paid; and beer brewed in India or beer imported in a condensed form and afterwards converted into potable beer and duly excised, but excludes locally-made foreign liquor, denatured spirits, coconut toddy arrack and ordinary arrack. In the case of licences to chemists, druggists and other approved firms or persons, however, for the sale of pure rectified spirits only, the term 'foreign liquor' means pure rectified spirits imported from foreign countries by sea or manufactured in this country and excised at the tariff rate of duty.

'Locally-made foreign liquor' is spirit manufactured or compounded in British India and made in colour and flavour to resemble gin, brandy, whisky or rum imported from foreign countries. It is excised at Rs. 17-8-0 per proof gallon; its sale is permitted in all foreign liquor shops except those licensed for the exclusive sale of beer, medicated wines and rectified spirits.

'Coconut toddy arrack' is spirit manufactured from toddy at the Chowghat distillery in Malabar and excised at Rs. 17-8-0 per proof gallon; its sale is permitted in all foreign liquor shops except those licensed for the exclusive sale of beer, medicated wines and rectified spirits. The maximum limit of private possession is two imperial gallons.

NOTE.—The minimum strengths at which imported and locally-made foreign spirits can be sold are 35° U.P. for gin, 40° U.P. for Colombo arrack and coconut toddy arrack and 25° U.P. for all other kinds of spirits including Italian arrack, except denatured spirits.

'Indian' beer is beer brewed in India (*a*) which contains at least two bushels of malt and two pounds of hops per hogshead and in the manufacture of which jaggery or crude cane sugar is employed, (*b*) which is brewed at a higher original gravity than 1,058° on a standard saccharometer and (*c*) the maximum price of which at the brewery is Rs. 40-0-0* per hogshead *plus* the excise duty in force at the time of issue.

2. Licences for the sale of foreign liquors, locally-made foreign liquors and coconut toddy arrack shall be of the following descriptions,—

I. *Wholesale licences for the sale of foreign liquor, locally-made foreign liquor and coconut toddy arrack not to be drunk on the premises.*—These will be issued on an annual fee of Rs. 250 at the discretion of Collectors. Under these licences the sale of liquor in quantities less than two imperial gallons or a dozen reputed quart bottles or two dozen reputed pint bottles of each kind at a time is prohibited. The holders of this licence will have the privilege of issuing to licensed dealers only samples of liquor in quantities not exceeding one pint. In Madras town, holders of this licence will not be allowed to sell 'Indian' beer. Holders of this licence are prohibited from selling coconut toddy arrack in bulk to private persons in Malabar district and are permitted to sell it to such persons only in bottles, sealed and labelled in accordance with the bottling rules.

II. *Retail licences for the sale of foreign liquor, locally-made foreign liquor and coconut toddy arrack not to be drunk on the premises.*—These will be of two kinds—one for the sale of all kinds of foreign liquor, except 'Indian' beer and of locally made foreign liquor and coconut toddy arrack and the other for the sale of beer brewed in India.

†(*a*) The former will be issued at the discretion of the Commissioner and Collectors on payment of an annual fee of Rs. 1,000 in the Nilgiris except Gudalur, Rs. 500 in the town of Madras, Rs. 250 in towns having a population of 25,000 and over and in Kodaikanal, Yercaud and Cochin, and Rs. 150 in the rest of the Presidency. Under these licences the sale of liquor in a quantity less than one reputed pint and greater than two imperial gallons in one transaction will be prohibited.

(*b*) Retail licences for the sale of beer brewed in India will be issued to successful bidders for beer shops on payment of an annual fee of Rs. 50.

III. *Hotel licences for the supply of residents in hotels and boarding houses.*—These will be of two classes and subject to a payment of an annual fee of Rs. 250 or Rs. 150 in Madras, of Rs. 100 or Rs. 50 on the Nilgiris, and of Rs. 50 or Rs. 25 in the rest of the Presidency, as may

* The maximum price of Indian beer at the Bangalore brewery will be Rs. 95 per hogshead (excluding duty) and the supply will be restricted to shops which have obtained beer from that brewery during 1922-23.

† NOTE.—In places where there are beer shops, holders of retail licences for the sale of all kinds of foreign liquor except Indian beer will be permitted to sell beer brewed in India on English principles only in bottles as bottled at the brewery at which it was brewed.

in each case be determined by the Collector. No liquor may be sold under these licences otherwise than to residents in hotels and boarding-houses for their own use and that of their guests, or to casual visitors requiring liquor with the meal or meals supplied to them.

In Madras a holder of a hotel license desirous of setting up and maintaining in his hotel a bar or bars may, on payment of a monthly fee of Rs. 100 for a first-class bar or Rs. 50 for a second-class bar, be granted a separate license to be called a bar licence. This will cover the sale of foreign liquor, locally-made foreign liquor and coconut toddy arrack under the same conditions and to the same extent as the tavern license.

In Madras, special bar licences will also be issued to others than holders of hotel licences with the previous sanction of the Commissioner. The fees in such cases will be fixed by the Commissioner and the licences will entitle the holders to sell to all comers.

IV. *Refreshment-room licences* will be of two classes:—

(*a*) *For refreshment-rooms maintained by, or under the supervision and control of, railway companies and proprietors or managers of lines of dak carriages for the supply on the premises of travellers by such railways or dak lines*.—The annual fee payable for each licence will be fixed by the Commissioner from time to time. Under these licences liquor may be sold to *bona fide* travellers, or to other persons served with regular meals in the rooms for consumption on the premises to any extent, provided that no more than one reputed quart of spirits or two reputed quarts of any other kind of liquor sold at the refreshment-room may be sold at one time to any such traveller for removal from the premises.

(*b*) *For refreshment-rooms in which the sale of liquor is ordinarily combined with the supply of meals or of eatables prepared and served in the European manner*.—The annual fee will be Rs. 500 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be optional with the Collector to withdraw licences of this description if it should appear that the sale of liquor to persons who have not partaken of meals in the refreshment-room is permitted to such an extent or so habitually that the refreshment-room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licences. The premises to be used for the sale of liquor under these licences must be at least of the monthly rentable value of Rs. 50 in Madras and in Cotacamond and Coonoor Municipalities and of Rs. 25 in the rest of the Presidency.

V. *Occasional licences*, such as licences for the sale at refreshment stalls in connexion with race meetings and public entertainments. These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs 100 on each occasion as they may determine No removal of liquor from the premises will be allowed under these licences.

VI. *Special licences* will also be granted by Collectors in consultation with the officers of the Salt, Abkari and Customs Department when the circumstances are such as not to allow of the issue of licences of any of the above descriptions on such terms and conditions and for such periods as they may on each occasion determine.

VII. *Auctioneers' licences*.—Annual fee, Rs. 5. The following are important provisions of this licence:—

(*a*) Liberty to give sample bottles in respect of all consignments, whether trade consignments or the property of private persons, in order that intending purchasers may have the opportunity of testing high class wines and spirits at their own houses before the auction sale.

(*b*) Authority to sell wines, spirits and beer in less quantities than whole dozens of each description in the case of sales by auction of the property of private parties or estates or of trade consignments which are sullaged or otherwise unmerchantable.

(*c*) Authority to sell by auction at places other than that specified in the licence, viz., at any private residence at which the licensee may hold an auction.

VIII. *Licences for the sale of pure rectified spirits*.—These will be issued to chemists and druggists and other firms or persons specially approved by Collectors, on payment of an annual fee of Rs. 10. Under these licences the possession of pure rectified spirits in excess of ten imperial gallons (or such larger quantity as the Collector may, in consultation with the officers of the Salt, Abkari and Customs Department, specially authorize) is prohibited. Pure rectified spirits must not be sold under these licences for other than *bona fide* medical, industrial and scientific purposes, and the maximum limit of sale at one time to the same person is restricted to one reputed pint in the case of sale to a private individual, two reputed quarts in the case of sale to a chemist, medical practitioner or scientific body and three imperial gallons to any Government, Local Fund or Municipal hospital.

IX. *Licences for the sale of medicated wines and similar preparations* containing 20 per cent and upwards but not more than 42 per cent of proof spirit will be issued by Collectors on payment of an annual fee of Rs. 10.

3. *Licences for compounding* $\frac{\text{arrack}}{\text{and}}$ *blending foreign liquors and locally-made foreign liquors* will be granted to holders of wholesale licences by Collectors and licences for *compounding* to licensed distillers by the Assistant Commissioner of Distilleries on payment of an annual fee of Rs. 250.

4. *Licences for the bottling of foreign liquors, except beer brewed locally and of locally-made foreign liquors and coconut toddy arrack*, will be granted to holders of wholesale licences by Collectors and to licensed distillers by the Assistant Commissioner of Distilleries on payment of an annual fee of Rs. 50.

5. Any two or more of the above kinds of licences may be granted to the same person for the sale of liquor in the same premises.

6. No premises shall be used for the sale of liquor unless and until approved by the Collector.

7. All licensees shall maintain and furnish to Collectors statistics showing separately the consumption of imported foreign liquors and locally-made spirits and beers and coconut toddy arrack.

8 All licenses (other than occasional and special licenses) will have effect for the official year, i.e., from the 1st April in each year until the 31st March of the following year.

9. The fixed fees exceeding Rs. 50 on all licenses (other than special and occasional licenses), will be payable in two instalments, one-half being payable when the license is issued and the other half at the beginning of the second half-year, viz., 1st October.

10. For the convenience of the trade, Collectors will, so far as possible, receive and dispose of applications for licenses under clause IV (5) to have effect during the following official year before the tavern sales for that year. Licenses for the sale of liquor in mufassal refreshment-rooms should be very sparingly given.

11. All further information may be obtained and forms of licenses may be procured at a charge of two annas each at the offices of Collectors.

Bill No. 2 of 1924.—The Madras Pilferage Prevention Bill, with Statement of Objects and Reasons .. .. PAGE 57

Bill to be introduced in the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

Under rule 18 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

BILL No. 2 OF 1924.

A Bill to amend the criminal law in force in the Presidency of Madras.

Preamble. WHEREAS it is expedient to amend the criminal law in force in the Presidency of Madras so as to deal more effectively with pilfering in industrial areas; AND WHEREAS the previous sanction of the Governor-General has been obtained under sub-section (3) of section 80-A of the Government of India Act to the passing of this Act; it is hereby enacted as follows:—

Short title. **1.** (i) This Act may be called the Madras Pilferage Prevention Act, 1924.

(ii) It shall extend only to such local areas and apply only to such substances, products or articles as the Local Government may, by notification, direct.

2. On this Act being extended to the town of Madras, section 65 of the Madras City Police Act, 1888, shall stand repealed. Mad. III of 1888.

Possession of or dealing with articles stolen or fraudulently obtained.

3. (i) Whoever has in his possession, or conveys in any manner, or offers for sale or pawn, any substance, product or article, which there is reason to believe has been stolen or fraudulently obtained, shall, if he fails to account satisfactorily for such possession or act, be liable to fine which may extend to one hundred rupees, or to imprisonment for a term which may extend to three months.

(ii) If any person charged under sub-section (1) declares that he received such substance, product or article from some other person, or that he was employed as a carrier, agent or servant to convey such substance, product or article for some other person, the Magistrate, after such further inquiry (if any) as he may deem necessary, may summon such other person, and any other person through

whose possession such substance, product or article is alleged to have passed, to appear before him, and may examine such person and any witnesses who are produced to testify to such receipt, employment or possession; and, if it appears to the Magistrate that any such person had possession of such substance, product or article and had reasonable cause to believe that it was stolen or fraudulently obtained, the Magistrate may punish him with fine which may extend to one hundred rupees, or with imprisonment for a term which may extend to three months.

4. No Magistrate other than a Presidency Magistrate, a Magistrate of the first class or a Magistrate specially empowered by the Local Government in this behalf may take cognizance of or try any offence under this Act.

5. (1) Any Police officer may arrest without a warrant any person who, he has reason to believe, is committing an offence under this Act if—

(*a*) he does not know the name and address of such person; and

(*b*) such person, when requested to give his name and address, refuses or gives a name or address which he believes to be false or cannot ascertain to be true; and

(*c*) such person, when requested to accompany him to a police station, refuses to do so.

(2) No officer of Police below the rank of a sub-inspector may investigate any offence against this Act.

6. Any Magistrate trying any case under this Act may permit the prosecution to be conducted by any Police officer not below the rank of a sub-inspector.

STATEMENT OF OBJECTS AND REASONS

For over forty years the trading and manufacturing community has been liable to thefts in ports between godowns and ship, thefts on railways in goods yards and on goods trains and thefts in workshops and other places where large bodies of workmen are employed. Urged by the combined demands of Railways, Harbour Boards, trading firms and the Director of Industries, and also realizing the danger to the public, the Government have decided to amend the criminal law in force in the Presidency of Madras on the lines of Burma Act No. II of 1922. The difference between this special law and the existing law is that, whereas under the latter a person can be arrested in identically the same way on suspicion of being in possession of stolen property and put before any Magistrate, under the new law he can only be put before a Presidency Magistrate, a Magistrate of the first class or a Magistrate specially empowered by the Local Government in this behalf; but, whereas under the existing law the prosecution has to prove that the property found on him was stolen by means of a witness who can identify the actual property as his, under the new law, if the property found on the suspect within the prescribed limits is notified property, the onus is on him to show where he got it from. The onus of proving honest possession has similarly been thrown on the accused in the Madras Coffee-stealing Prevention Act, 1878, the Madras Forest Act, 1882, the Madras Abkari Act, 1886, the Madras Salt Act, 1889, the Mysore Mines Act, the South African Illicit Diamonds Act and other Acts.

Licences for the sale of foreign liquor which are granted on payment of fixed fees are dealt with in a separate notification

Conditions of Auction Sale.

I. Any person desiring to bid must deposit Rs 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs 10 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power of attorney from him. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

Note.—In Madras City the deposit must be paid into the taluk treasury and the challan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the challan at the taluk office

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of licence or of a contract under the Abkari/Opium Act as to render him undesirable as a holder of a licence; or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a bona fide bidding for beer shops; or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop will not be published but the average annual rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop.

IV. The shops will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop he may at his discretion either accept the next highest bid or resell the shop. In case of dispute the selling officer's decision will be final.

VI. Every person whose bid is provisionally accepted shall—

(*a*) at once if so required by the selling officer or otherwise at the close of the day's sale deposit (in addition to the deposit made under clause I) half a month's rent for each shop knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(*b*) at once apply in writing for a licence for each shop knocked down to him, and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop;

(*c*) within fifteen days from the date of sale,

(i) if the Tahsildar is satisfied that he can be trusted to pay his rent punctually and fully, deposit such further sum as with the deposits already made will make up two months' rent of all shops knocked down to him; or

(ii) otherwise deposit such further sum as with the deposits already made will make up four months' rent of all shops knocked down to him or produce a surety or sureties, approved by the Tahsildar, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the licences for these shops and to execute a mortgage deed of his or their immoveable property in favour of the Government for the payment of all moneys due under the said licences by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof by the surety or sureties or by the purchaser. The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser; he shall also be bound to execute a counterpart agreement.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will notify the date on which resales, if any are found necessary, will be held; when the list of shops to be resold has been drawn up, a copy of it will be sent to any bidder who gives his name and address to the Tahsildar.

IX. The order of the Collector confirming or refusing to confirm the acceptance of a bid shall be final unless it is revised by the Commissioner for special reasons.

X. On the failure of any person to make a deposit or apply for a licence under condition VI or to comply with any requisition or to execute any engagement under condition VI, the deposits already made may be forfeited and the shop may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any shkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (*c*) may be made either in cash or in recognised Government, Port Trust, Municipal or Local Board Securities, or by depositing Postal savings bank pass-books or deposit certificates obtained from the Provincial Co-operative Bank [Madras Central Urban Bank] or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (*a*) which have not been refunded as well as deposits due under condition VI (*c*), the deposits made in cash may be returned to the depositors. The securities or savings bank pass-books deposited must be endorsed in the name of the Collector and Government promissory-notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In

the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Collector of the district, the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Collector's demand.

XIII. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass-books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the rent due and of any penalties or other sums recoverable under the terms of the licence or of the conditions set forth below unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

Condition of Issue of Licences for Wholesale Vend of Arrack.

XIV. Applications for the privilege of wholesale vend of country spirits should reach the Collectors concerned on or before the 1st March 1924 and should be accompanied by a fee of Rs. 15 which will be returned to those persons whose applications for licences are not approved. The grant of licences confers no exclusive privilege, and it will be open to the Collector to grant licences under like conditions to other persons at any time during the currency of the licences for which applications are now invited. Licences will be granted to private persons only if they have obtained the consent of the arrack supply contractor of the district to the opening of their depots and deposited such amounts as may be required by the Collector as security for the proper fulfilment of the conditions of the licence. If such depots are not worked to the satisfaction of the Collector, they may be closed at any time. Wholesale depot licences will not be granted to persons having interest in retail shops.

The licences issued under the above clauses will contain the following general conditions common to all abkari and opium licences and the special conditions prescribed below for any particular kind of licences:—

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under conditions 10, 11 or 41 *infra*.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police authorities. The limits of the site selected and approved will be entered in the licence. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside those limits is prohibited.

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Salt, Abkari and Customs Department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence save by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop, foreign liquor tavern or beer shop shall be opened before 9-30 a.m. and no other shop or depot shall be opened before sunrise.

10. (a) No depot or shop shall be kept open after 8 p.m. except under special authority. Collectors may at their discretion order the closure of any depot at sunset and may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such a course to be advisable in the interests of the public. The Board may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) With the previous sanction of the Commissioner, Collectors are authorized to notify at the time of the auction that specified shops will be closed on the occasion of specified festivals, and that the hours of sale at specified shops which are in the neighbourhood of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness. Discretion is allowed to Collectors to order the closure of specified shops in the neighbourhood of factories, mills and other places, where large numbers of operatives assemble, from 11-30 a.m. to 1-30 p.m. on week days, on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

11. Depots and shops must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall close his depot or shop when a riot or disturbance occurs or appears likely to occur in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling license. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 18 or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any depot or shop and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

15. No liquor, opium or intoxicating drug shall be sold or given—

(a) except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Town, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(1) to sailors of the Royal Navy, soldiers and members of their families; or

(2) to any other person living in barracks;

(b) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, i.e., any class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise officers and Railway servants when on duty; or

(c) in any circumstances to any—

(1) European vagrant under escort of the Police;

(2) child or young person under eighteen years of age;

(3) insane person;

(4) person known or believed to be intoxicated; or

(5) person known or suspected to be about to take part in a riot or disturbance of the public peace or other crime.

Note.—The restrictions in (a) and (b) do not apply to soldiers, their families and followers when they are absent on leave from their regiments.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a licence as specified below shall be issued to any person at any one time from any licensed

Permits shall be in printed books, which can be obtained at all offices of the Inspectors of the Salt, Abkari and Customs Department on production of receipts for payment of the cost price into a Government treasury. The signing of blank permits for subsequent issue is prohibited.

19. Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkari and Separate Revenues shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct.

20. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

21. No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

22. No person shall be harboured in any depot or shop during the night.

23. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. Unless special permission is given to the contrary, separate accounts shall be kept for the transactions under each license. The accounts shall be in printed books which may be obtained from local Revenue officers on payment of cost price. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed in support of the accounts. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by an officer not below the rank of an Assistant Inspector of the Salt, Abkari and Customs Department.

24. Except in the case of fixed fee licenses, the amount for which the privilege of sale has been purchased shall be payable in advance in twelve equal monthly instalments ('kists') into a Government treasury on or before the 1st of each month beginning with April or October as the case may be. Interest will be levied on any amounts not so paid and after the 25th of the month in Madras town or the 10th of the month elsewhere shops are liable to be sold for failure to pay kists. Toddy shops may also be resold for failure to pay tree-tax. Fees for depot licenses must be prepaid.

25. No remission or abatement of the rent shall be claimable on any account whatever.

26. Power is reserved to Revenue officers to suspend licenses in case of failure of payment of kists or of tree-tax on the due date. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars or Deputy Tahsildars in independent charge, in the case of opium shops by Divisional Officers and in other cases by Collectors. In the event of suspension of a license for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of the license to the new purchaser, or otherwise disposed of at the Collector's discretion. Disposal of the privilege of sale otherwise than by resale includes also closure of the shop or tavern. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, and shall become due immediately on resale or other disposal of the shop; but the defaulting licensee shall have no right to any gain which may accrue. The whole of the deposit, if any, made by the licensee shall be liable to forfeiture. The officer who has power to suspend the license may at his discretion allow sales to continue pending resale or other disposal of the privilege.

27. No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

28. (a) No abkari or opium licensee in an Indian State or Foreign territory will be allowed to have any interest in a license for the same article in British territory without the special permission of the Collector.

(b) No abkari or opium licensee in any area in British territory may have any interest in or hold a licence for the same article in any other area in British territory in which a different rate of duty is in force, without the special permission of the Collector for which the party concerned must apply without delay. Breach of this condition will render the party liable to the penalties prescribed by condition 37 in respect of all or any of the licenses held.

29. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licenses.

30. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, transport or sale of liquor, opium or

intoxicating drugs, committing breaches of the Abkari / Opium laws and to comply with the Divisional Officer's orders respecting the continued employment of such persons.

31. Pecuniary dealings by licensees of any kind whatever with officials of the Land Revenue and the Salt, Abkari and Customs Departments are absolutely prohibited.

32. With the sanction of the Board of Revenue, any licence shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

33. All licensees shall be bound by any additional general rules that may be prescribed under the Abkari / Opium laws and shall, if so required by the Collector or any officer authorised by him, deliver up their licences for amendment or for the issue of fresh ones.

34. The officers authorised to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Salt, Abkari and Customs Department of rank not lower than Sub-Inspector.

These officers are empowered to enter and examine the premises, to test the weights, measures, liquor, opium and intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

35. All officers authorised to inspect depots and shops are authorised to detain any liquor, opium or intoxicating drugs found unfit for consumption or use or which they may believe to have been tampered with in any of the ways referred to in condition 12 and all Collectors and Deputy and Assistant Commissioners of the Salt, Abkari and Customs Department are empowered to condemn, or destroy such liquor, opium or intoxicating drugs.

36. An inspection note-book, with pages numbered consecutively, shall be maintained for the use of inspecting officers and shall be handed over to the Inspector of the circle or to any other authorised by him to receive it on a receipt being given therefor.

37. An infraction of any of the conditions of the licence either by a licensee or by any person in his employment will render the licensee liable to—

either (*a*) fine up to Rs. 50;

or (*b*) cancellation of licence and resale or other disposal of the privilege at the risk of the licensee and, if considered necessary by the Collector, forfeiture of deposits;

or (*c*) prosecution of the licensee or his agent for the specific offence committed.

The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

38. Any licence may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the Abkari / Opium Act, or of any offence under the Indian Penal Code, which in the Collector's opinion renders him unfit to hold it, or if it is brought to the notice of the Collector that the licensee has been convicted prior to the issue of a licence to him before a Magistrate of any of such offences.

39. Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act as an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

40. Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

41. Collectors may at the commencement of the lease order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Commissioner in his discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Commissioner. A Tahsildar may at any time permit or order the transfer of a shop within the limits notified for the shop in the sale notice.

42. The right is reserved to the Collector to grant 'occasional licences' for the sale of liquor, opium and intoxicating drugs on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licences should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality. The licences shall run only for such period not exceeding ten days as they are actually required. Not more than one licence shall be issued for a fair or festival without the sanction of the Board.

The fees to be paid for the licences shall be fixed at the discretion of the Collector.

Conditions applicable to Arrack Licences.

1. The privilege extends only to the sale of country spirits of the prescribed strengths. These are 25° under-proof and 10° under-proof except in the tracts in the South Arcot district bordering

on French territory where the liquor to be sold will be 60° under-proof and the Gumpur and Palkonda Agencies and the Polavaram, Chodavaram and Yellavaram taluks of the Godavari Agency where the liquor to be sold will be 50° under-proof only.

2. Spirits shall be purchased only from a distillery or warehouse established by the contract supplier for the supply of the district or from a wholesale depot established by the contract supplier, or by a private person with the contract supplier's consent. The prices to be charged per gallon at the distilleries, warehouses and wholesale depots in the several districts are given below :—

District.	Sources of supply—distillery, warehouse or wholesale depots.	Kind of liquor.	25° under-proof.	60° under-proof.

The cost price of spirits purchased should be paid to the contract supplier.

7. In the case of purchases from wholesale depots the excise duty must be paid to the depotkeeper with the cost price.

II.—Special conditions applicable to Arrack Wholesale Depot Licences.

1. Each cask in a depot shall have its capacity legibly cut, branded or painted on it. The licensee will be responsible for the correctness of such marks. The contents of casks of 80 gallons and upwards must be marked to the nearest half gallon, those of smaller ones to the nearest quarter gallon.

2. In the following cases no consignments of spirits received at depots from distilleries and warehouses and, in the case of (b), from other depots shall be opened before they have been gauged and proved by an authorized Government officer :—

(a) In case of issues from the Vizagapatam distillery to depots in the Ganjam Agency.

(b) In case of issues from one part of British territory to another which must pass through Indian States or Foreign Settlements.

(c) In case of issues from the Nellikuppam distillery to the low duty tracts of the South Arcot district.

(d) In case of issues from the Berunda warehouse to the Munagala and Lingagiri zamindaris of the Kistna district.

(e) In case of issues from the Samalkot distillery to depots in the Godavari Agency tracts.

In all other cases the depotkeepers are required to verify the consignments on receipt and ascertaining and proving till a cask is opened for issue in which case they are responsible for the contents as given in the distillery or warehouse permits. All casks received in a leaky or suspicious condition must be verified immediately on arrival at the depots.

3. No consignments of spirits which have to be transported through Indian States or Foreign Settlements shall be issued without their being sealed by authorized officers.

4. Each depot must be furnished with a hydrometer of such pattern as may be prescribed by the Commissioner of Salt, Abkari and Separate Revenue, a thermometer and a bung-rod. Bung-rods, and, if required, hydrometers and thermometers also will be supplied by the department on payment of the cost.

5. Wholesale depotkeepers shall obtain their supplies of liquor only from the distillery or warehouse established by the contract supplier in the contract area or from other wholesale depots in the same area, as shown in column 2 of the table in condition 2 of the conditions applicable to arrack licences.

6. Spirits shall be sold only to licensed vendors in the district. But wholesale depotkeepers in taluks, where a lower rate of cost price is in force, shall not sell liquor to licensed vendors in the other taluks of the district, where a higher rate of cost price is in force.

7. Wholesale depotkeepers shall send letters of advice once at the end of every fortnight to the Sub-Inspector of the range in which the shop is situated, whenever a consignment is issued to a shop in a different range from the depot. Letters of advice relating to shops in the same range as the depot shall invariably be written up by the depotkeeper at the time of writing the permit and either sent to the Sub-Inspector or handed over to him when he next respects the depot.

8. A wastage allowance up to 2 per cent on the quantity advised in each cask received at the depot will be allowed to wholesale depotkeepers who should submit to the Inspector of the circle in which the depot is situated a statement showing (i) the number of the cask received at the depot, (ii) the quantity advised in each cask, (iii) the quantity contained and (iv) the wastage ascertained in each case. The statement should be submitted not later than the 5th of the month following that to which it relates. All cases of wastage in excess of the 2 per cent limit will be dealt with by Collectors, at their discretion, by a fine not exceeding double the duty payable on the excess wastage. If the casks have passed through areas in which different duties are in force, the fine may be calculated on the highest duty prevailing in any of such areas. Only one cask should be kept open at a time for issue. Depotkeepers should show clearly in their account books the cask from which each consignment or part of a consignment is issued.

9. Depotkeepers are required to seal at their own cost all consignments of liquor issued to shops. Collectors may require that a portion of each supply from a depot to a shop shall be in sealed bottles. The depotkeepers shall use a private seal, an impression of which shall be made not only on the jars or other receptacles in which liquor is issued, but also on the permits issued with the consignments. All depotkeepers will be required at the beginning of the year to furnish the Inspector of the circle within which their depot is situated with two clear impressions of the seal to be used and will not be permitted to change the seal during the year.

10. Depotkeepers or their employees shall have no interest in retail arrack shops.

All liquor imported in bulk and bottled in the Presidency received into or kept for sale at the tavern shall bear a printed label showing clearly the nature of the liquor contained therein, the country of manufacture, the name of the bottler as entered in his licence and the place of bottling. The licensee is forbidden to alter either the nature of the bottled liquor purchased by him or the labels upon the bottles, on pain of forfeiture of his licence.

3. If the licensee is desirous of obtaining a supply of coconut toddy arrack made in Malabar, he must make his own arrangements with the supply contractors. The contractors shall not be entitled to refuse to supply coconut toddy arrack except on the ground of want of stock. The liquor must be kept in receptacles labelled "Spirit manufactured in Malabar." The rate of duty is Rs. 17-8-0 per proof gallon.

4. The minimum strengths at which imported and locally-made foreign spirits can be sold are 35° under-proof for gin, 30° under-proof for colombo arrack and coconut toddy arrack and 25° under-proof for all other kinds of spirits including Indian arrack, except denatured spirits.

Every licensed brewer within the Presidency is bound on payment of the value in legal tender or on security for such value being given to supply Indian beer at a price not exceeding Rs. 40, per hogshead, *plus* the excise duty in force at the time of issue, to all persons licensed to sell such beer. But shops which have obtained Indian beer from the Bangalore brewery during 1922-23 may get their supplies from that brewery at a price not exceeding Rs. 30 per hogshead *plus* the excise duty in force at the time of issue. Applicants shall be entitled to have Indian beer of good quality issued to them in the order of their applications and with all reasonable dispatch. All complaints as to the quality of the beer supplied will be disposed of by the Board whose decision shall be final.

2. The privilege conferred extends only to the sale of ganja, bhang and other intoxicating drugs prepared from the hemp plant.

3. The licensee must obtain his supplies of ganja and bhang from the storehouses at Vizagapatam and Santavasal or from other shops within the same district as the shop. The Collector may, however, at any time require any licensee to obtain his supplies from any one specified source.

4. During the closing month of the lease (March) no licensee shall apply for more ganja than is necessary to meet the legitimate requirements of the remaining days of the lease. Every indent for ganja in March to the Storehouse Officer or to any ganja shopkeeper shall be sent through the Inspector of the circle in which the shop is situated who may, at his discretion, refuse to pass it in full and may pass for supply only such quantity as he considers reasonable.

5. Owners of stocks at the Santavasal storehouse, so long as they have stock in hand, are bound by a condition of their licence to supply ganja to licensed vendors on payment, in legal tender, of the value thereof at a rate not exceeding Rs. 1-8-0 per seer of 80 tolas or such other maximum as may be fixed either generally or with reference to any particular case. They are also bound to comply

with indents for intoxicating drugs received from shopkeepers in accordance with the rules in the order of their receipt and with all reasonable despatch and to appoint agents at the storehouse to act for them during their absence, if any. Should they fail to do so, it will be open to the Storehouse Officer to issue intoxicating drugs on their behalf when indents are received during their absence.

6. At the Vetapalem storehouse, Government ganja and bhang will be sold to licensed vendors at a fixed price of Rs. 1-6-0 per seer of ganja and annas eight per seer of bhang. Licensees desiring to purchase from the storehouse must pay both the duty and the cost price of the drugs into the treasury of the taluk in which their shop is situated. They should forward the treasury receipts evidencing the payment of duty and cost price to the Storehouse Officer who will make the issues from the stocks in the storehouse.

7. No consignment of intoxicating drugs obtained from a Government storehouse shall be opened before it has been verified and passed by an authorized Government officer. Infraction of this provision will subject the licensee to a fine which may extend up to Rs. 200.

8. No licensee shall keep any greater quantity of ganja, bhang and other intoxicating drugs prepared from the hemp plant than may be fixed by the Collector. The Commissioner may, at any time, during the currency of the lease, if it finds that the issues to a shop are abnormally high, restrict further issues unless good reason is shown by the licensee.

9. Licensees are prohibited from breaking up the pressed ganja kept for sale in their shops except in small quantities not exceeding the average daily sales in their shops. Other drugs may be manufactured from ganja and bhang in shops and sold to other licensees under these rules.

10. No licensee shall destroy the seeds or any part of his stock of ganja. The seeds, if separated from the stock, as well as any part of the stock which the licensee desires to destroy, should be carefully preserved for examination and destruction by an inspecting officer.

11. No licensed cultivator or licensed stockholder shall hold any interest in any retail shop.

12. If any ganja licence is used as a cloak for illicit sales or if the licensee knowingly sells ganja to a ganja smuggler or if the Collector has reason to suspect that the licensee is guilty of any offence of that nature, he may, after recording his reasons, forthwith cancel the licence and resell or otherwise dispose of the privilege at the risk of the licensee. The rent for the whole lease shall become due at once when a licence is cancelled under this condition.

Conditions applicable to Opium Shop Licences.

1. The licensee shall be bound by the rules prescribed under the Opium Act in Government Notification No. 3, dated 9th July 1918, published on pages 710-714 of the *Fort St. George Gazette*, dated 16th July 1918, Part I, and any additional general or special rules which may from time to time be notified.

2. The privilege conferred extends only (*a*) to the retail sale of opium and (*b*) to the manufacture and retail sale of intoxicating drugs made from opium or the poppy other than morphia or preparations for smoking in shops duly sanctioned.

3. The price of opium at taluk cutcherries will be Rs. 70 per full seer cake and Rs. 35 per half seer cake.

4. The licensee shall obtain his supply of opium from such taluk cutcherry as may be ordered by the Collector in quantities of a half seer and multiples thereof on complying with the rules regulating such issues, or from other shops within the district under the special orders of the Collector. No opium other than that obtained in the manner specified above shall be sold or received or possessed by the licensee. During the closing month of the lease (March), the licensee shall not apply for more opium than is necessary to meet legitimate requirements of the remaining days of the lease. Every indent for opium in March will be carefully scrutinized by the officer in charge of the taluk treasury who may, at his discretion, refuse to comply with it in full, and may issue such quantity as he considers reasonable.

5. The licensee shall not sell at one time to any person more than one tola of opium or intoxicating drugs, except in the Agency tracts of Ganjam, Visagapatam and Godavari where he may sell up to three tolas.

6. The licensee shall keep at any one time no greater quantity of opium and intoxicating drugs other than morphia or preparations for smoking than may be fixed by the Collector. The Board may, at any time during the currency of the lease, if it finds that the issues to a shop are abnormally high, restrict further issues unless good reason is shown by the licensee.

7. If the license is used as a cloak for illicit sales or if the licensee knowingly sells opium to an opium smuggler or if the Collector has reason to suspect that the licensee is guilty of any of these offences, he may, after recording his reasons, forthwith cancel the licence and re-sell or otherwise dispose of the privilege at the risk of the licensee. The rent for the whole lease shall become due at once, when a licence is cancelled under this condition.

8. The smoking or consumption of opium or its preparations in any form in premises licensed for sale and the sale of morphia or preparations for smoking are prohibited.

9. Discretion is reserved to Collectors to issue separate licences to licensed chemists for the sale of opium and the manufacture and sale of opium preparations for medicinal purposes only.
